TERMS AND CONDITIONS

Payment Terms:

All of Seller's prices (and other terms) quoted and confirmed pursuant to this Order Acknowledgment Form are subject to correction for typographical and clerical errors. Unless stated otherwise on this Order Acknowledgment Form, all payment terms are Net thirty (30) days, or as otherwise determined by our credit department at the time of order. Late payments shall bear interest at the lesser of one and one-half (1-1/2%) percent per month or at the highest rate allowed by law on any unpaid balance. Seller reserves all rights if Buyer pays by check and Buyer's check is not honored. Future shipments to accounts paying beyond terms will be shipped COD or prepayment may be required. Delinquent accounts will be aggressively pursued for payment and may be placed for collection. Buyer acknowledges, in the event Buyer's account is placed for collection or the alternative to seek formal legal redress, all costs associated with the Seller seeking payment of the unpaid account inclusive of accrued interest, attorney's fees and relevant court costs are the sole responsibility of the Buyer.

Buyer's Financial Status

Buyer represents to Seller that it is solvent and is paying all of its liabilities as they come due. Shipments of goods shall at all times be subject to approval of Seller's credit department and Seller may at any time decline to make any shipments, except upon receipt of payment or upon terms and conditions or security satisfactory to Seller. If, at any time, the Buyer becomes bankrupt, insolvent, or makes an assignment for the benefit of creditors, or if Seller otherwise reasonably deems itself insecure, the Seller may at its option stop shipping the goods under this Order Acknowledgment Form by giving to Buyer notice of the same, and Seller shall thereupon be relieved of any further obligations to Buyer. In the event of such termination, in addition to payment for goods already delivered, Buyer shall reimburse Seller for its termination

Freight Terms:

Shipments FOB: Shipping Point, Livonia, Michigan, or any other shipping location in the event of a drop shipment, or elsewhere as Seller deems necessary. Minimum shipping release per destination location - \$50.00. Freight charges via UPS shall be prepaid by Seller and added to billing. All other transporters are shipped freight collect. In addition, Buyer agrees to pay all packaging charges. Buyer acknowledges that the delivery/completion dates of any goods provided pursuant to this Order Acknowledgment Form are based on the assumption that there will be no delay due to causes beyond the reasonable control of Seller. Seller shall not be charged with any liability for any such delay, non-delivery or other non-performance.

Orders: All orders or services must be accompanied by Buyer's standard Company Purchase Order form and signed by an authorized agent or officer of the Buyer.

Delivery, Insurance and Risk of Loss: The risk of loss or damage to all goods sold to Buyer by Seller shall only remain with the Seller until, and shall pass to the Buyer upon, delivery of the goods to the Common Carrier at Seller's loading dock. All shipments are insured by Seller unless otherwise specified by the Buyer who by doing so, assumes all responsibility for loss or damage. Damage to shipments by Common Carrier must be reported to Common Carrier at the time of Buyer's receipt. Storch Products and Storch Magnetics will not accept Common Carrier loss or damage. Seller reserves the right to hold or stop any shipment of goods in transit if all or any portion of the Buyer's account has not been timely paid.

Inspection and Limitation of Warranties Buyer shall promptly inspect the goods upon their arrival at Buyer's shipping destination, and must notify Seller in writing within fifteen (15) days of arrival, if such goods are defective. If no such notice is given to Seller, or if Buyer has begun to alter the goods in any manner, the goods shall be deemed irrevocably accepted and Buyer waives any right to revoke such acceptance. Buyer shall provide Seller the reasonable opportunity to inspect all alleged defective goods. If, in Seller's opinion, such goods are actually defective, Seller's liability and Buyer's exclusive remedy under this Order Acknowledgment Form are limited to Storch's separate warranty described below. All goods returned to Seller must be in the original manufacturer's carton and/or packing, as applicable, and in accordance with Seller's instructions; otherwise credit will not be granted for any goods not so returned. As we have no control over the Buyer's application, Storch will not accept responsibility for a non-conforming good.

The "Storch Magnetic Slide Conveyor" line carries a separate warranty applicable to that product and any additional terms and conditions are provided at the time of quotation and/or shipment.

The separate warranty described above is a limited warranty. If any goods to be sold to Buyer by Seller are manufactured, assembled, packaged, processed or otherwise handled by Seller in substantial compliance with the Buyer's specifications as provided to Seller, then Seller will not be liable to the Buyer for the failure of such goods or performance, or for any of the Buyer's damages (including incidental and consequential damages and lost profits) arising from such failure, and the Buyer will indemnify and hold Seller harmless from any and all third party losses, costs (including court costs and attorney's fees), damages, lawsuits or other liabilities arising from such failure.

Product Returns: Merchandise cannot be returned without Seller's authorization. All claims for refunds or exchanges must be made within fifteen (15) working days after Buyer's receipt of goods. Items returned for reasons other than the above-referenced warranty claims are subject to a minimum returned goods charge of \$50.00 or a 10% re-stocking fee, whichever is greater. Special magnets or materials that Storch has altered to Buyer's specifications, or that have been altered by Buyer after receipt of goods, are not returnable.
